The SFA shall have the right to receive services from the food service management company through the effective date of the notice of termination and may, at its election, procure such work from other contractors as may be necessary to complete the services.
- 15.6 Notwithstanding any provision to the contrary in this contract, obligations of the SFA will cease immediately without penalty of further payment being required if sufficient funds for this agreement are not appropriated by the Tennessee General Assembly or a federal funding source, or such funds are otherwise not made available to the SFA for payments in accordance with this contract.
- 15.7 Notwithstanding the notice period in **paragraph 15.4**, the SFA may immediately terminate the contract, in whole or in part, upon notice to the food service management company if the SFA determines that the actions, or failure to act, of the food service management company, its agents, employees, or subcontractors have caused—or reasonably could cause—jeopardy to health, safety, or property; or, if the SFA determines that the food service management company lacks the financial resources to perform under the contract.
- 15.8 If the food service management company fails to perform to the SFA's satisfaction any material requirement of this contract or is in violation of a material provision of this contract, the SFA shall provide written notice to the food service management company requesting that the breach of noncompliance be remedied within 60 days. - 15.10 The Parties will take precautions to protect the health and safety of individuals from both organizations during the COVID-19 global pandemic. COVID Requirements specific to SFA shall be timely communicated to Transporter (email accepted). Notwithstanding the foregoing, the vendor is responsible for complying with COVID Requirements.

Neither Party will be liable for any exposure to COVID-19 related to Services provided herein. SFA and vendor will notify each other within twenty-four (24) hours upon knowledge of any confirmed (and applicable to the Services herein) cases of COVID-19, while maintaining privacy of individuals, to help reduce further exposure.

Prior to engaging in Services and at all relevant times herein, the Parties will discuss any issues impacted by the then-current COVID Requirements. All COVID-related issues, such as scheduling or pricing, shall be promptly communicated in writing by the affected Party. Both Parties acknowledge and agree that, during these extraordinary times, cooperation, reliability, and flexibility are tantamount in providing the care needed under the Contract and shall work in good faith to resolve any issues arising out of COVID-19 global pandemic as the school years progress.

Except as set forth in this Amendment, the Contract is unaffected and shall continue in full force and effect in accordance with each of its terms. If there is a conflict between this Amendment and the Contract, the terms of this Amendment shall prevail.

- 15.11 The only rates and fees that may be adjusted in subsequent contract terms are the fixed rates and fixed fees contained herein. Before any fixed rate or fee adjustments can be implemented as part of a contract renewal agreement, the food service management company shall document to the SFA, through a written financial analysis, the need for such adjustments. Adjustment of all individual per meal fixed rates and applicable fees in subsequent contract terms must not exceed the percentage rate of change of the "Consumer Price Index for All Urban Consumers—Food Away From Home, South Region" annual rate for December of the current school year, as compared to the rate for December of the previous year. Percentage increases cannot be applied to any previous contract term's total estimated or actual contract cost. The calculation method regarding the determination of à la carte equivalents, if applicable, is outlined in the "Meal Pricing" section of this contract. The SFA will be allowed to propose a price decrease if "Consumer Price Index for All Urban Consumers—Food Away From Home, South Region" indicates a decrease.

*The minimum number of Reimbursable Meal "Entrée" Choices is one per the 21-day cycle menu. This column does not denote the number of additional "entrée" choices. For example, two means the one entrée per the 21-day cycle menu **and** one additional "varied" entrée that may be served as part of the reimbursable meal, for a total of two reimbursable meal entrées from which students may choose. In addition, the varied Reimbursable Meal "Entrée" Choices are generally not the same as the Additional Daily Offerings.
